COMPLAINT

1. The plaintiff Nathan L. May Jr a citizen of
 the County of Lancaster State of
 Pennsylvania, residing at 660 W Vine Street

wishes to file a complaint under Title 42 Section 1983, Entrapment, Perjury (Klinedinst)
 (give Title No. etc.)

Violation of Verbal Agreement to Approve Probationary License PennDOT was also
Complicit in Violating O'Connell Warning by ignoring evidence of a Crime.

2. The defendant is Daniel B. Klinedinst (Committed the initial Crime).

All PennDOT Administration Acknowledged Crime Committed and did not
do anything to stop it. PennDOT knew my 4th Amendment was Violated.

3. STATEMENT OF CLAIM: (State below the facts of your case. If you have paper
 exhibits that give further information of your case, attach them to this completed form. Use as

Process. The 1547 Chemical test refusal was filed without evidence or conviction during my criminal case in York County. The Assistant District Attorney made the statement that the officer presented no evidence to support the charges. As per my Transcripts, Officer Klinedinst knowingly violated

O'Connell Warning, Due Process and a host of Civil Rights without care for any consequences. My Docket & Video will show the officer committing these crimes further proving what the lower courts already have seen and acknowledged. PennDOT was aware of the violation and failed to make it right. I was

guaranteed by Regina Jackson-Dunbar that I would receive my Probationary Licence 1-3-2022 of which I did not. PennDOT has knowingly received fraudulent and unsubstantiated charges from Police without proper due process. PennDOT has violated our

Verbal & Contractual agreements repeatedly with consequence. PennDOT has received thousands of dollars from me by its direction for cost and fees stating I would receive my licence and I have not. All witnesses and documentation (written, video & audio) will prove how I have been the victim of a number of Civil Rights Violations.

3. (CONTINUED) I have reached out to Officer Klumdiest a number of times, phone, email, Complaints, Superiors and I have been blocked at every turn. I posted on the police website and did not get a response.

4. WHEREFORE, plaintiff prays that Justice will finally be served.

The Traumatic experience I endured, the complete disregard or respect for due process. I was never given the opportunity for this officer to find me guilty in front of a judge, he used a loop hole which honestly was a crime also. I am a victim, I ask that the officer and those who helped him be brought to justice.
